

**To Whom It May Concern,**

**Manor Care, Sunbury has been a customer of Area Services for well over 10 years. I have been the director of nursing at the facility for this entire time and have worked closely with Bernie Rumberger on any minor issues that have occurred. He has always been responsive and cooperative when listening to my requests and needs of the facility. The staff of Area Services are polite, professional and caring towards the residents of the facility. I highly recommend this company as the transport agency for your facility based on my experiences with Area Services.**

**If I can be of any further assistance please do not hesitate to contact me at the facility.**
