Protect yourself and your family today! Complete the application on the bottom of this page and return it with your payment.

Thank you, in advance, for your continued support.

In December 2023, AREA Services entered preliminary discussions with Giesinger Medical Center to explore merger alternatives. However, after careful consideration, AREA Services plans to remain an independent provider of high-quality medical transportation services in our multi-county service area. AREA Services remains committed to providing a wide range of services including emergency 9-1-1 responses to medical emergencies and non-emergency medical transportation including ambulance and wheelchair van services. Our compassionate employees are highly trained to provide prompt, professional care with advanced modern life-saving equipment.

Please detach and return this form. Thank you for your continued support.
